PETROLEUM CLUB BILLINGS

A letter from the President

February 27, 2017

Dear Members,

The Billings Petroleum Club continues to be busy. After the renovation, membership is increasing at a modest rate and Club use by members appears to be on the rise. The Board of Directors voted to raise the food and beverage minimum to \$150 per quarter beginning April 1st. In this way, we can promote and encourage Club usage without increasing dues.

Jeremy Engebretson is settling into his role as the Executive Chef-in-Residence and General Manager of the Club. Kali Harrington is eagerly learning her role as Business Manager while Jennifer McCalla continues to market the Club to new members and developing ideas for Club use by members and the public at large.

Only two or three items remain on our punch list as the renovation comes to a close. Thank you for your patience during this process and I hope you are as proud of the renovated Club as the Board. Three volunteers are needed to help with a garage sale which we hope to hold on a Saturday in the near future. Our old furnishings are in storage at Kibler & Kirch and we need to clear their space of chairs, tables, art and other items removed from the Club. If you can lend a hand, please call Jennifer McCalla or Kali Harrington to let them know.

This will be my final letter as President of the Board. New leadership will take over in the coming weeks as officers are elected at the March meeting. I will be stepping down; however, I'll stay involved over the next year as the new Board transitions.

Thank you for your support during the past months. I have certainly enjoyed the presidency during my two years at the helm; it has been a great joy to be a part of this organization. As my term ends, I want to thank the many members and most definitely a great Board of Directors who imagined and launched a new vision for the Billings Petroleum Club.

My warmest wishes to all of you,

Mike Mace

FROM THE MANAGER

Dear Members,

The changing of the season marks the beginning of our spring menu transition. As we adjust to our new club we continue to get better at what we do each day. I thank you for the continued support as we work through this transition.

Spring will bring a more diverse menu with a few more options to choose from. We have also begun working on our bar program. Hopefully we will soon have a from scratch cocktail list with lots of tasty libations to try! Make sure to swing in for lunch or dinner and try some of our new musings.

Dine adventurously,

Jeremy
